

EXECUTIVE OFFICE OF THE PRESIDENT

BUREAU OF THE BUDGET

WASHINGTON 25, D. C.

BULLETIN NO. 56-3

August 11, 1955

TO THE HEADS OF EXECUTIVE DEPARTMENTS AND ESTABLISHMENTS

SUBJECT: Issuance and payment of transportation requests

The Bureau of the Budget and the General Accounting Office have under consideration two proposals affecting procedures related to the issuance and payment of transportation requests.

The proposals are outlined in Exhibits A and B attached. Your comments, together with any other suggestions you may wish to make on passenger transportation matters, would be appreciated by not later than September 1, 1955.

Reply should be sent to both the Bureau of the Budget and the Accounting Systems Division of the General Accounting Office.

The proposal for cash payment is not applicable to Department of Defense agencies, the Selective Service System, the United States Coast Guard, beneficiary or patient travel of the Veterans Administration and the Department of Health, Education, and Welfare, and group travel. Likewise, the proposal for central payment is not intended to affect agencies in the Department of Defense, since that Department already has central payment facilities.

ROWLAND R. HUGHES  
Director
